

Imagine the Champion in You

Gold Buckle Champion Stampede Festival Horses

We started this project by offering this for kids to decorate to win a classroom makeovers. Judging for the kids' horses is voted by the Nampa Chamber.

Four teachers/groups in our area will win a classroom makeover, or trips to national competitions for teams, or cash prizes to other registered non profits.

☛ Horses and paints are supplied if done at Gold Buckle Champion, Karcher Mall, Suite 1234.

☛ The horses can be done at another location, but only the horses will be supplied.

Horses will need to be completed by June 15th
